We grew up to become a leading Digital Security company equipped with total video security solutions in Korea.

ADVANTAGE

- MPEG-4 Video Compression
- Real Time Recording, Playback
- Triplex
(Recording, Playback, Networking)
- Powerful Networking

PROVIDE you with... ..

- >> Quality product at reasonable price
- >> Field-proven reliable technology

FEATURE

CNB-SDF1212 Series

- >> Using MPEG-4 Video Compression
- >> NTSC : 320x240, 720x480
- >> PAL : 320x288,720x576
- >> Video Input 4 CH
- >> 4 CH live display and recording
- >> Real time image surveillance
- >> Supports motion detection
- >> Supports alarm and sensor
- >> PTZ control
- >> Easy operation with user friendly Remote Controller & Front Keys

SPECIFICATION

ITEM	DESCRIPTION
Video Input	4 CH (BNC)
Video Output	2 CH (1 BNC, 1 VGA)
Audio Input	4 CH (RCA)
Audio Output	1 CH (RCA)
DI/DO	4 IN / 1 OUT
Resolution	NTSC : 360x240 / 720x480, PAL : 360x288 / 720x576
Recording Speed	NTSC : 120fps (360x240) / 30fps (720x480), PAL : 100fps (360x288) / 25fps (720x576)
Still Image Capture	NTSC : 360x240 / 720x480, PAL : 360x288 / 720x576
Recording Mode	Manual, Motion, Sensor, Schedule
Motion Detection	Motion Detection Setup by Grid
Multi Task	Triplex (Recording, Playback, Network Transfer)
Menu Control	IR Remote Controller, Front Keys
Serial Port	RS-232C (Console), RS-485 (Camera Control)
Network Interface	XDSL, LAN/Dynamic IP
Network Function	Live, Search, Setup, Backup, Camera PTZ, S/W Upgrade
HDD	1 EA of Internal HDD (Max. 250GB, Option)
Backup	Network (Still Image, Video Data), USB 2.0 Interface
Compression	MPEG-4
Operation System	RTOS
Dimensions (WxHxD)	350 x 260 x 65 mm
Weight	3.0 Kg (W/O HDD)
